1. The Hirer will strictly adhere to the dates and times of their hiring of the Hall as specified on the Booking Form.
2. One key for the Hall will be supplied to the Hirer, to be returned to the Committee by the 'end' time of the hiring period. The Hirer will be responsible for the key in the period within their control and not part with control of the key during the period of hiring. Should the key be lost, the Hirer will be responsible for the cost of replacing the key or replacing the lock with the required number of keys, at the discretion of the Committee. Regular User Groups have alternative arrangements, as identified on page 3.
3. The Hirer will, during the period of hiring, be responsible for supervision of the premises, the fabric and the contents, their care, safety from damage, however slight, or change of any sort, and the behaviour of all persons using the premises, whatever their capacity, including proper supervision of car parking arrangements outside the Hall entrance, to avoid obstruction of the highway outside of the Hall.
4. The Hirer shall indemnify the Committee for the cost of the repair of any damage done to any part of the property, including the curtilage thereof or the contents of the building, that may occur during the period of the hiring because of the hiring. A deposit cheque for £50 will be required to confirm the booking. This should be a separate cheque which would be returned or destroyed after the Event, unless subject to any charges for breakages or damage to property. Any contents temporarily removed from their usual positions shall be properly replaced unless directed otherwise. The Committee shall be at liberty to make an additional charge if this is not the case. If, in the opinion of the Bookings Clerk or the Hall Cleaner, the Hall is not left in a satisfactory condition, the Hirer will be responsible for any charges occasioned by the Committee in bringing the Hall back to its proper condition. Wherever practical the Bookings Clerk or Hall Cleaner will consult with the Hirer prior to any work being carried out to give the Hirer the opportunity of carrying out the work themselves to the Committee's satisfaction. Where the Hirer is a recognised User Group their Representative on the Committee will be responsible for ensuring the Hall is left in a satisfactory condition. **It is the Hirer's responsibility to remove all waste generated at the end of the period of hire in the bags provided.**
6. (Information on licences held are available from the Booking Secretary and copies of the same are also exhibited in the Hall and on the website).
 - b. If the Hirer wishes to use the raised Stage Area this will be at their own risk and they will take out appropriate insurance, if it is considered necessary by them.

15. In any hiring of the premises for the purpose of a sale/dance/performance etc. where the General Public will be admitted for a fee, such sale of tickets by the Hirer must be on the basis that "Right of Admission is reserved".

Hall insurance does not cover Hirers for the provision of external services, be it hardware or personnel. If Hirers feel it necessary to cover their event for such a cancellation, it is recommended they take out the appropriate insurance to cover this scenario.

Safeguarding Policy

Policy Statement:

Polruan Village Hall (The Village Hall) recognises that it has a statutory and moral duty to ensure that it safeguards and promotes the welfare of young people and vulnerable adults during their time spent at the Village Hall. Our primary purpose, as Trustees of the Village Hall, is to maintain the Hall for the benefit of the Community. However, as responsible Hirers, we make every effort to ensure those hiring the Hall are aware of their responsibilities and the legislation in place to protect children and vulnerable adults, by drawing attention to this in both our Terms and Conditions of Hire and Booking Form, with the expectation that if a Hirer does not have their own 'Safeguarding Policy' in place, adherence to ours is necessary and agreed to when signing the Booking Form and the Terms and Conditions.

The term "children" means "those under the age of 18". The Village Hall recognises that some adults are also vulnerable to abuse. Accordingly, the procedures will also be applied (with appropriate adaptations) to allegations of abuse and the protection of vulnerable adults.

The Village Hall has a Designated Safeguarding Lead – The Bookings Clerk – who is supported by a Safeguarding Policy Sub-Committee, comprising of a group of Trustees who are currently serving on The Village Hall Committee.

Definitions:

Child: A young person under the age of 18 years of age.

Vulnerable Adult: A person aged 18 years or over who is or may be in need of Community Care services by reason of mental or another disability, age or illness and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation.

Organisation: A social unit of people that is structured to meet a specific need or pursue collective goals.

Disclosure: A person states they have been or are being abused by another.

Allegation: A volunteer working with children or vulnerable adults or another person in contact with them is accused of committing an abuse against a child or vulnerable adult.

Abuse:

- A violation of an individual's human and civil rights by any other person
- May consist of a single act or repeated acts. It may be physical, verbal or psychological, it may be an act of neglect or an omission to act, or it may occur when a vulnerable person is persuaded to enter into financial or sexual transactions to which he or she has not consented or cannot consent.
- Abuse can occur in any relationship and may result in significant harm to, or exploitation of the person subjected to it.

The Village Hall works to:

- Safeguard the welfare of young people and vulnerable adults
- Support the creation of an environment where young people and vulnerable adults are listened to and are encouraged to talk about themselves, their lives, and any concerns they may have.

- That these Organisations share information about concerns with Agencies who need to know and involve parents and children appropriately
- That these Organisations provide effective management for staff and volunteers through supervision, support and open communication.

OR

- If an Organisation does not have a Safeguarding Policy and related Processes in place, by signing our Booking Form and Terms and Conditions, they agree to adhere to the requirements of our Safeguarding Policy.

- Have a policy in place to ensure that their staff and volunteers be on guard to spot the signs and symptoms of abuse that can include: Physical signs such as changes in appearance, injuries and marks, and changes to a child's or vulnerable adults behaviour.

OR

- Commit to taking the following steps where indicated.

The relevant Organisations hiring the Hall will respond to suspicions or allegations of abuse by:

- Staff/volunteers will record incidents and make the necessary agencies aware of any potential for concern.

- Following any disclosure or concern for a young person or vulnerable adult in immediate danger, staff/volunteers will follow the procedure as attached to this policy.

Relevant Organisations Hiring the Hall will maintain records and respect confidentiality:

Relevant Organisations who hire the Hall will have a process in place to inform the relevant external agencies of any issues for concern and pass them a written record of any incidents or disclosures, to be kept securely by them.

They must also recognise that privacy and confidentiality will be respected where possible but if doing this leaves a child or a vulnerable Adult at risk of harm, then the Child or vulnerable adult's safety will always come first.
